

County Executive Debate, October 13, 2022, 7:00 to 9:00 pm at the Clubhouse

The debate was based on questions from community members. Questions were emailed to Thomas Gill at thomasgillesq@comcast.net. The event was hybrid. Every 4 years, Frederick County elects a county executive who manages the County. The County Executive drafts the budget, hires and manages county employees (except the Sheriff's department) and makes policy. Both candidates for this important job agreed to debate at the Clubhouse to win your vote. The candidates are Jessica Fitzwater and Michael Hough.
