

Hybrid WMCA Program on The Great Frederick Fair

Karen Nicklas, general manager of the Fair office, gave a presentation on the Great Frederick fair.

This year's theme is the "Greatest Fair of all Time.. It's All About the Kids!" This is a Family Friendly Event that lasts more than a week in Frederick.

In addition to Grandstand events and the Carnival Rides, the Fair boasts hundreds of Crafts, Baked goods, and Art submissions from folks in Frederick County - Plus many Livestock Events, including "The Pretty Pig" Contest, the 4-H Pony Show and "hopefully" a live birth of a dairy calf. It's a Wonderful place to educate your children and neighbors about Agriculture.

This was a chance to ask questions and learn about the Great Frederick Fair.

Also note: There is free admission for senior citizens, Monday 9/16 -Wednesday 9/18, 9 AM – 3 PM.

Though virtually was available, we asked that attendees seriously consider attending in-person to give the presenter a favorable impression of Worman's Mill.

We enjoyed seeing this presentation on May 22 at 7pm at the Clubhouse or on Zoom. Light Refreshments were available.
