

Mayor O'Connor prepared a talk about a large number of topics including, our traffic, plans to improve congestion due to traffic, the crime rate, the Comprehensive Plan for Frederick, the status of the Mill Pond Road extension and more.

Remember as Mayor, he is responsible for putting together the city's fiscal budget each year. He establishes the budget priorities. Perhaps we had some impact on his decisions concerning the budget. Remember - Our Mayor is at the apex of the decision making process for the city.

It was a virtual program will at 7 pm on March 16.
