

August 18, 2020 Zoom WMCA Special Board Meeting.

Discussed were Tom Gill's questions for the Committee-Committee (CC) Tom is the Chair of that meeting. He is asking members (or groups of members) of the CC meeting to respond to the following:

A. What rules should Management use in deciding whether a Group should be permitted website and scheduling use?

B. How should these rules be applied to The Worman's Mill Civic Association?

Our Board felt the WMCA should have access to all the options in WM the way Committees and Groups have.

The Board also discussed and approved that no dues would be required for 2021
