

WMCA Board of Director's Meeting, Wed. March 23, 2022

Attending: Allan Carlson, Bob Willson, Lisa Boyle, Bob Wehr, Tom Gill, Tom Huddleston.
Absent: Diane Derr

1. Tom Gill opened the meeting to comment on the October Program with the candidates for County Executive -- The Debate. No date for the program, as the candidate slate is not determined yet.... could be four or more candidates. May have to be a virtual program, but, hoping for live action in our Club House.

Tom G. is looking for a volunteer to be Time Keeper, for the 3 minutes for comments and answers. Program to be at 7pm.

2. Minutes of the Feb./Mar 2, Board meeting -- Approved

3 Treasurer/Membership -- Bob Wehr. Deposit -- \$85.00 -- 7 new members. Bank Balance -- \$1,797.40.

Our recent membership recruitment mailing to 150 residents in the Condo's 1,2,3, so far has netted only 5 new members -- very disappointing result so far. Hope for more later. No real ideas as to why Condo residents do not tend to join the WMCA. ... The mystery goes on !!.

Current Membership is 144, represents 93 family units..... 42 new this year.

4. Allan noted that the BOT has requested we send them a list of our programs and dates for the rest of year 2022. Just for their information and NOT for the BOT to approve them. Allan to forward to Vicky E. soon.

5. Noted of the special BOT meeting on April 5, to determine the number of people to allowed in the Club House at any and all events.

6. Agreed that Tom Gill will send a thank you note to the Mayor for a very good and well received program.
