

Visit Historic Frederick – April 4, 2018 - Changed date due to snow in March

Mr. John Fieseler, the Executive Director of “Visit Frederick Maryland” will be our speaker for this informative program. He has been the Executive Director of the Tourism Council of Frederick County Maryland for the last 20 years. He also has wide-ranging knowledge of Maryland heritage since he has been Chairman of the Board of the Six-States Civil War Trails organization and is a member of the Board of the Downtown Frederick partnership. Here we are in Historic Frederick but how many of us are aware of the endless and interesting number of opportunities that are available in our “backyard.” We all know of people who have lived in Frederick County for many years but have not ventured out to take in the wonder, curiosities and history that is Frederick. All of us are aware of the beauty of Carroll Creek Park, the great restaurants, the wineries - breweries – distilleries, the Arts and “Farm Fresh Markets” around our area. But there is so much more to discover and learn about the wonderful heritage of this area we call home. We discovered the marvels of our area known as Frederick Maryland as a result of this talk at our Clubhouse.
