

Special Civic Association meeting with the Mayor on June 20

This was our chance to hear from our newly elected Mayor on a number of important topics of concern to residents of Frederick. He updated us on the status of the downtown hotel/convention center and why it is going so slowly. He also provided information on other downtown development and the progress on the Monocacy Boulevard construction project. These were only a few of the topics he discussed. The meeting was in the Clubhouse.
