

Worman's Mill Civic Association  
Board Meeting Minutes  
May 23, 2023

Members Present:

Allan Carlson- Pres.

Diane Derr - Member at large

Lisa Boyle - Member at large

Anne Grantham- Member at large (acting Secretary)

Members Absent:

Tom Huddleston- Secretary

Bob Willson- Treasurer

The Meeting was called to order at 7:05 pm. by Allan  
The Minutes from the last meeting were approved, as was the Agenda for tonight's meeting.

Bob Willson was absent therefore no treasurer's report was given.

Our last program "The Catoctin Furnace" with Phillip Greenwalt, was held live at the

Clubhouse, via Zoom and recorded for YouTube was discussed.

We had 30 people in attendance, and 15 via Zoom. Allan said that as of today 50 people have watched it on YouTube. It will remain on YouTube forever.

Diane said that people enjoy watching on YouTube since it's always available.

A discussion on the poor acoustics was held. Allan suggested that maybe handing the mike around during the question and answer part of the Program might help.

It was decided that we would discuss this issue more at our next meeting due to tonight's poor attendance by Board Officers.

Allan stated We need to ask people who are presenting a Program in person to Please give us their power point presentation in advance.

Diane stated that our September 27, 2023 Program "Presidents in Unexpected Places in the Nation's Capital" with Ralph Buglass will be virtual only. She's stressed that we need to ask him and all Presenters in advance, if we can record the meeting for YouTube.

Bob will be paying him \$50 for his presentation.

Allan said that Heidi Sprout and Steven Lazerowich have both suggested that we have a Program on Using the Internet. January might be a good month for this due to weather concerns.

Joan Quinlan, a resident and friend of Anne, asked her to ask the Board if it would be possible for her (Joan) to give a live demonstration of Crystal Sound Bowls for healing and stress relief (as a WMCA Program). After a short discussion with Lisa and Diane it was decided that we have programs planned into 2024, and as a Board we don't want to start endorsing alternative health care or private enterprise programs.

Programs planned;

November- Mayor of Frederick Live at the Clubhouse and virtual... Lisa set this up.

Other program ideas for next year:

Climate Change in Frederick County with Karen Russell

Fire and Rescue station on Thomas Johnson Dr. #29

May-? The Great Frederick Fair.. Anne will contact them.

Ft. Detrick- Science Director or Commander

Frederick Airport Expansion

Frederick Hospital @ the State Farm building... What's going on there? Nancy Frazier, a W.Mill resident works there. 301-607-1403 Anne will call her and ask.

We are encouraged to think of other interesting and stimulating programs for the future.

The meeting was adjourned at 7:58 PM.

Respectfully submitted,

Anne Grantham

acting Secretary.
