**National Museum of Civil War Medicine**

The Worman's Mill Civic Association sponsored a presentation on the National Museum of Civil War Medicine by Betsy Estilow, Board President of the Museum. It took place on January 17, 2018 at our Clubhouse starting at 7:00 PM. She talked about the many buildings used as hospitals during the Civil War. All of the churches except one were used as hospitals. The remaining one was used for church services for all the churches in Frederick.
